

## **Corona virus Covid19**

**Know the facts!**

‘Corona virus can be passed by **anyone** to **anyone**’

There is **NO** shame ...there is **NO** blame  
**We are all in this together now!**

So remember to follow HSE advice...

- Mind each other by being apart...stay at home.
- Call the GP if you are sick.
- Let family know you are sick so they stay away.
- Provide information to the HSE so they can advise others in your circle who may be at risk.
