

EXCHANGE HOUSE IRELAND

National Travellers Service

Exchange House Ireland Education & Training Service will be hosting our annual National Traveller Educational Achievement Awards (NTEAA) on the 10th October 2024.

The categories cover various levels of education, from Junior/Leaving cert, QQI Major Awards, G.C.S.E, A levels (North of Ireland), Special Purpose level 5+, Third level courses up to Ph.D. recipients. The awards are designed to highlight the success of the recipients, celebrate with them and promote the importance of formal education to all members of the Traveller Community.

If you know someone who has achieved success in any of the above categories, please consider nominating them for the NTEAA.

Being nominated is a great way to recognise their hard work and achievements. All nominees will be invited to attend the award ceremony, where they will have the chance to celebrate with their peers and also to win amazing prizes, such as a laptop, phones, and One for All vouchers, among others. Light refreshments will also be provided at the event.

To submit or request a nomination form, you can contact Exchange House Ireland Education & Training Service Team on.
